3. Measure the available wall space

4. Choose wall display styles

For inspiration, consult our online Wall Display Guide in the Client Resources section or our website.

## {Giving your images as gifts}

One of the pleasures of commissioning a professional portrait photographer is to give the portraits as gifts to family and friends. Use this worksheet to write down the names of friends and family members you would like to give portraits to and list the type of gift you think they'd cherish the most.

Possible Recipients:

Grandparents & Great-Grandparents

Aunts, Uncles, & Cousins

Godparents
